APPENDIX “ANNUAL REPORT OUTLINE” · INTERNAL CONTROL AND COMPLIANCE CHARTER · TEMPLATE

Outline of the annual internal control report

Version 0.9
Internal

Completed by RCCI **Frequency** Annually, before 31 March, for the previous financial year

Kept by RCCI · presented to the Board of Directors and then sent to COSUMAF

Indicative outline, based on sub-regional practice. To be adapted to any COSUMAF instruction on the content of the report. The report is short and factual, and each statement refers to evidence kept available.

Part	Content
1. The Company and its business	Significant events of the year; activities carried out and the share of each; changes in headcount, organisation, senior management and shareholding; changes submitted to COSUMAF
2. The internal control framework	Organisation of the three lines; RCCI and professional card; risk and compliance committee (number of meetings); repository documents adopted or revised
3. Risks	Updated risk map (attached); changes in the main risks; compliance with limits and limit breaches; own funds
4. Controls performed	Control plan and completion rate; main findings by area; major findings and measures taken
5. AML/CFT	Risk assessment; high-risk clients; alerts and suspicious transaction reports (number only); training
6. Clients	Client assets and results of reconciliations; complaints (number, nature, response times); incidents affecting clients
7. Systems, continuity and service providers	IT incidents; business continuity plan tests; outsourcing register; assessment of critical service providers
8. External controls	Conclusions of the independent review, the statutory auditors and COSUMAF; status of their recommendations
9. Follow-up of recommendations	Open, closed and overdue recommendations (Appendix “Recommendations tracking”)
10. Assessment and programme	RCCI's assessment of the effectiveness of the framework; resources required; control plan for the following year
Appendices	Risk map; recommendations tracking table; any observations of the Board of Directors
