APPENDIX “FUNCTION CLASSIFICATION” · OUTSOURCING POLICY · FORM

# Grid for classifying a critical or important function

Version 0.9
Internal

**Completed by** Project owner, then the RCCI **Frequency** Before any new contract, renewal or material change

**Kept by** RCCI (service provider file)

OUTSOURCED ACTIVITY _____ PROPOSED SERVICE PROVIDER _____ DATE _____

**Rule. A single "Yes" answer** to questions 1 to 6 is enough for the function to be critical or important. Questions 7 to 10 serve to measure the level of risk and to scale the due diligence accordingly.

| No. | Question | Yes | No | Comment |
|---|---|---|---|---|
| 1 | Would an interruption of more than one day prevent client orders from being received, transmitted or executed? | ☐ | ☐ | |
| 2 | Does the service provider hold, record or have the ability to move client assets or funds? | ☐ | ☐ | |
| 3 | Does the service provider have access to clients' personal or financial data, or to inside information? | ☐ | ☐ | |
| 4 | Would a failure cause the Company to breach a regulatory obligation (account keeping, reports to COSUMAF or ANIF, retention of documents)? | ☐ | ☐ | |
| 5 | Does the activity relate to the control functions (compliance, risk, internal control, audit)? | ☐ | ☐ | |
| 6 | Does the outsourcing change the programme of activities licensed by COSUMAF? | ☐ | ☐ | |
| 7 | Is the data hosted or processed outside Cameroon? | ☐ | ☐ | |
| 8 | Does the service provider itself rely on subcontractors for most of the service? | ☐ | ☐ | |
| 9 | Would it be difficult, lengthy (more than three months) or costly to change service provider? | ☐ | ☐ | |
| 10 | Does the service provider already perform another activity for the Company, or does it have a link with a shareholder, a director or a Staff Member? | ☐ | ☐ | |

DRAFT

RCCI CONCLUSION

☐ Critical or important function: decision by the Board of Directors, all the requirements of the policy apply

☐ Non-critical function: decision by the Chief Executive Officer, requirements marked "All" in Appendices “Due diligence checklist” and “Mandatory clauses”

☐ Transfer of data outside Cameroon: protection analysis and prior authorisation to be arranged

☐ Prior approval of COSUMAF to be sought (question 6)
