Line	Item	Amount (FCFA)
A	Transaction Amount	[Transaction Amount]
B	Subscriptions validly received and paid up at Closing (centralisation statement)	
C	Unsubscribed Balance = A − B, if positive	
D	Underwritten Amount	[Underwritten Amount]
E	Amount to be subscribed by the underwriter(s) = the lower of C and D (firm underwriting: D)	
F	Of which Purpose Capital = E × [Share of the Underwritten Amount assumed by Purpose Capital]	
G	Number of Securities subscribed for by Purpose Capital = F ÷ [Unit Subscription Price of the Securities]	
H	Underwriting commission due = [Underwriting commission (% of the Underwritten Amount)] × D	[Underwriting commission]

The commission (line H) is invoiced separately; it is not set off against the price of the Securities subscribed for (line F), which is paid in full into the centralisation account.
